

17720

Floor stand for spot lights

Product variant

17720-000-55 - black

Data

Base diameter	352 mm
Material	steel
Special features	with mini TV mount
Type	black
Weight	0.7 kg

The robust cross base guarantees sturdiness for floor spotlights. The stand is collapsible and is ready for transport in a snap. Additional tools are not required. The end caps are made of rubber and protect the floor from scratches. A mini TV mount (16 mm) is integrated.
