A clever way to show off your iPad. The mount is guaranteed to hold the iPad effectively and safely. For use on stage, in the rehearsal room or at home - the 3/8" internal thread means the holder can be attached to any microphone stand easily and quickly. The iPad is clipped in and out of the holder effortlessly. An easy-to-use wing nut adjusts the tilt so the user can easily find a position to suit them. The iPad switches rapidly between the vertical and horizontal format without slipping.
