The clever way to display your iPad mini. The connector holds an iPad mini securely and comfortably. Whether on stage, in the rehearsal room or at home - the strong clamping element with its ergonomic clamping screw allows the iPad mini holder to be attached quickly and easily to any tubes up to 30 mm diameter. The iPad mini snaps in and out of the holder effortlessly. The pivoting range is second to none, allowing the user the iPad mini position of their choice. The swivel movement can be adjusted from free to resistant. The iPad mini switches rapidly between the vertical and horizontal format without slipping.
