The clever way to display your iPad Air 2. The connector holds an iPad Air 2 securely and comfortably. Whether on stage, in the rehearsal room or at home - the strong prismatic element with its ergonomic clamping screw allows the iPad Air 2 holder to be attached quickly and easily to any tubes up to 30 mm diameter. The iPad Air 2 snaps in and out of the holder effortlessly. The pivoting range is second to none, allowing the user the iPad Air 2 position of their choice. The swivel movement can be adjusted from free to resistant. The iPad switches rapidly between the vertical and horizontal format without slipping.
